Lord Mayor
Councillor Lucy Turnbull
City of Sydney
PO Box 1591
SYDNEY NSW 2001

Dear Lord Mayor

I refer to Council's Planning Development & Transport Committee meeting held on Monday 11 August 2003 – Item 4 – Review of Construction Hours across the City.

I wish to object to Council's proposal to increase construction hours in the City Edge/Ultimo/Pymont area by 30 mins per day ie Monday to Saturday totalling an extra 3 construction hours per week. Council did not consult or inform the community of its intention to increase construction hours at any time. As a Pymont resident I find Council's behaviour in this matter unacceptable and I urge Council to review its decision and retain the original construction hours previously outlined. Local residents and businesses already suffer from long hours of construction (9.5 hrs Monday to Friday – Saturday – 7.5 hrs) in the area and this proposal just adds insult to injury.

Yours faithfully

Debra Berryman
