Council \$3,300 Scholarship grant

The PUCB Community Scholarship Fund Association Inc. has successfully received a \$3,300 grant from *City of Sydney*, Council has supported the Association since established in 1990 and we thank Council for that continual support.

The Association was formed in 1990 as a sub-committee then a local Community Consultative Committee to provide scholarships to year 6 students from Ultimo Public School who are proceeding into Secondary and Tertiary studies. Students come from diverse culture & social backgrounds. The object of the Association is to facilitate the extended education of these students and encourage them to take an interest in the community.

We have 10 students all attending various education institutions. Bonnie Kok and Tony Lu are our 2003 students a first ever 2 awardees in the 1 year for a Scholarship award this is due to the talented students coming out of Ultimo Public School.

Our 1993 recipient Hillier Mackell has completed her studies at Sydney University and now leaves our Scholarship Association to take up a career in teaching we congratulate Hillier on achieving great results from High School to University.

Margaret E. Wood JP
