Wattle Street Pedestrian Crossing at Kelly Street Intersection

Dear Mr LaRue

The Ultimo Precinct Committee proposed and supported these traffic signals closely liaising with the Ultimo community and the City of Sydney over the past three years.

Now it appears that one Ms Robinson is opposing the urgently needed pedestrian crossing over Wattle Street for her private reasons and in spite of community consultations and recommendations.

Please let me assure you that the majority of the Ultimo community is eagerly awaiting its installation. Any further delays will only frustrate the interests and jeopardise the safety of the Ultimo residents.

I have also written to the Lord Mayor to confirm her support in this matter.

Yours sincerely

Gerald Ganglbauer
Chairman
Ultimo Precinct Committee
