The Ultimo Parkinson's Support Group held its 4th meeting at the Ultimo Community Centre.

Thanks to Mike and Sue who have agreed to be there if anyone would like to come for a cuppa and a chat. Brendan, ignore my phone call today and Deborah, I will leave it to you if you go to yoga. Chris and Gerald are both overseas. Deborah represented the group at the Unity Walk and is leading the fundraising, which does not finish till 30th September. Please feel free to sponsor her.
I look forward to seeing you all in October.

Just a brief note to let you know that the USG met this morning at the Ultimo Community Centre. It was a very informal gathering. There was plenty of morning tea as both Sue and Laurin catered.

The get together lasted about 1.5 hours and many topics were discussed, both relating to PD and other topics. Despite the casual nature of the meeting there were many interesting points raised.

Tony and Laurin both indicated that they would be attending the National Conference in October. Sue mentioned that she has been contacted again by Prof. Lynn Chenoweth regarding the study on carers, which hopefully will start soon. Tony talked briefly about how he had visited specialists in Boston (USA) and Bangkok (Thailand) during recent o/s trips.
